Villa Palmera

From 200€ per night

Welcome to this brand-new modern villa, ideally located in the heart of Mojácar — just a few steps from the beach. Surrounded by lively bars, restaurants, and entertainment venues, with public transport nearby, it's the perfect place to enjoy a complete and relaxing holiday.
Upon arrival, you'll find a spacious parking area for two vehicles, next to a barbecue zone, ideal for spending time with family and friends.

The villa features three bedrooms — two with double beds and one with two single beds — and two modern bathrooms, one of them en suite to the master bedroom.

The kitchen is large, fully equipped, and beautifully designed in a contemporary style.
The living room includes a TV and direct access to the terrace.

All bedrooms and the living room have air conditioning for maximum comfort.

On the rooftop, you'll find a spacious solarium with sea views, perfect for sunbathing at any time of the day.
There's also an outdoor shower and a private walkway connecting the villa directly to the beachfront.
