

4 Bedroom Villa for Sale in Turre

200,000€

This lovely house is divided into 3 floors, with 4 bedrooms and 2 bathrooms.

Upon entering through the main door of the property, we find ourselves on the first floor of the property, where the living room, access door to the basement, one of the bedrooms and bathrooms, the kitchen and the interior patio of the property are located.

If we make our way to the second floor, we can find the other 3 bedrooms (2 of them with a double bed and the other with a single bed), 1 room which is currently free to use as whatever you desire, but was also a bedroom, and another bathroom.

As soon as we reach the second floor, on our right, we find one of the rooms with a double bed, which has a built-in wardrobe and access to the property's terrace, which connects to the free-use room, which has a small balcony. Returning to the corridor on this floor, if we look towards the end of it, we have the other bedroom that has a double bed and its own private balcony. On the left side of the corridor, we have the bathroom and on the right side of the corridor, still facing the end of the corridor, we have the last bedroom that has a single bed.

If you wish to see more photos of the property, make a visit or simply have any questions, feel free to contact us without hesitation.
